

Home Health

Skilled medical care provided for people in their home by:

- Registered Nurses
- Licensed Practical Nurses
- Home Health Aides
- Physical Therapists
- Occupational Therapists
- Speech Therapists
- Social Workers
- Dieticians

How our home health care works

- A physician must order/make a referral to Loving Care
- We contact you and come to your home at your convenience
- We assess your needs/goals and develop a plan of care
- Your physician approves the plan of care
- We deliver excellent care to you on a set schedule
- We help you avoid hospitalizations and meet health care goals

Private Duty Home Care

Non-medical assistance with “activities of daily living” (ADLs)

Home health aides and caregivers assist with:

- Bathing/Grooming/Personal Hygiene
- Companionship
- Daily Medication Assistance
- Grocery Shopping/Running Errands
- Laundry
- Light Housekeeping
- Meal Preparation/Feeding
- Mobility/Toileting Assistance

How to obtain private duty home care and how it works:

- Contact Loving Care and request private duty home care
- A Registered Nurse will come to your home, develop a plan of care based on your requests, and oversee your care
- You set the schedule; we help you up to 24 hours a day

Hospice

Compassionate care for people facing a life-limiting illness or injury

Team-oriented care includes:

- pain and symptom management
- medications, medical supplies, and equipment
- care direction for caregiver/family
- emotional, psychological, and spiritual support
- bereavement care/counseling for family

Hospice team members:

- | | |
|-----------------------|-------------------------------|
| • Patient's physician | • Hospice physician |
| • Nurses | • Aides |
| • Social Workers | • Spiritual counselors/Clergy |
| • Volunteers | |

How our hospice works

- A physician must order/refer to Loving Care
- Plan of care developed after patient evaluation
- Scheduled visits to assess/provide care for patient
- Hospice team regularly meets/updates plan of care
- 24-hour on-call staff for urgent/crisis intervention
